

China and USA are facing extraordinary times full of challenges and opportunities.

The flow of interactions between the two countries involve all the activities generated by human beings in this planet. The CHINA-USA SYNERGY event, organized by the City Club on Bunker Hill Social Committee-China Link, will be showing, exploring and discussing that interaction in the context of Cultural Relationship, Trade and Business Development.

During four continuous days, from March 26th through March 29th, 2012 the City Club on Bunker Hill will house a variety of programs and activities in recognition of the existing synergy between China and the US. All the activities are open to Club members and as well to the general public.

Monday March 26th ~ 6:00 pm

The Cultural Relationship exposes the historic heritage of both cultures and their response to the contemporary time with innovative models. Opening Ceremony by the Chinese Consul General, Mayor of Los Angeles and the Mayors of Glendale, Beverly Hills, Pasadena, Santa Monica and Long Beach. During the whole event, art objects depicting Chinese expressions and Urban and Architectural projects developed in China and USA by a group of selected designers, will be on display.
